

Room Usage Policy for Perdido Bay UMC Phase 2

1. Only PBUMC organizations/groups will be allowed to use the facilities during Phase 2.
2. Limit room usage to two meetings per day per room.

5. Masks will be mandatory for all persons on campus over the age of 3. Masks will not be provided by PBUMC.
6. Bathroom sterilization will take place in accordance with Phase 2 guidelines.
7. All meetings on campus must be scheduled with and approved through the Director of Hospitality, Laura Lawhon.
8. Hand sanitizer will be provided in all rooms.
9. Each room capacity will be determined by Facilities Director, Les Cunningham to ensure each room is set-up to maintain social distance guidelines.
10. Entry doors will be sterilized hourly.
11. For Senior Adult Ministry, the Banquet Room will be their designated meeting space. This will ensure vulnerable persons have a space to meet that is not shared with Children and Youth.
12. The Youth Room will be available only for Youth functions during Phase 2.
13. Children's Classrooms will be available only for Children's functions during Phase 2.
